

Aspire™ 3mil PVC Overlamine

Product Bulletin

Aspire™ Overlamine is a 3 mil calendared UV-resistant vinyl face stock. The PVC face stock is a flexible vinyl that can be rolled without tunneling. This specially formulated face stock allows for clear color transmission and is also coated with a clear non-yellowing permanent adhesive.

Product Characteristics

- Clear acrylic adhesive
- UV-resistant calendared vinyl
- Extra adhesive coating for blemish free laminations
- 78# white liner that is coated one side
- Available in widths of 38" , 51" , 54" & 61"
- Available in three finishes: Luster, Gloss, & Matte

Aspire™ Overlamine Applications

- ❖ Retail Display and signage
- ❖ Point of Purchase signage
- ❖ Window graphics
- ❖ General signage
- ❖ Trade show graphics
